# AS TIME

When it all began in 1954, there were only a house and a barn, but time brings change and, for St. Vincent's Seminary, change has meant growth. AS TIME GOES ON, St. Vincent's continues to grow. Yet it is not the number nor the kind of buildings that make St. Vincent's special—it is the PEOPLE.

AS TIME GOES ON, faculty, seminarians, parents and friends continue to give of themselves, their time and their support. The future of St. Vincent's depends on the continuing support of people such as these. Yes, St. Vincent's, in its 25 years, has grown into a beautiful campus, but more importantly, it has grown into a beautiful COMMUNITY.

## FOR 25 YEARS OF DEDICATION WE THANK YOU...

Bro. Bernard Stein, C.M.  
1954-73, 1975-76

Rev. Robert Lamy, C.M.  
1954-58

For 25 years the faculty here at St. Vincent's has been involved in every aspect of the lives of the seminarians. A spirit of caring and loving has filled each of the tasks undertaken by the men and women who have served St. Vincent's during these many years. It is with a deep sense of gratitude that we give special recognition to them by dedicating this 25th anniversary issue of the Vincentian to them. For sharing themselves with us we say—THANK YOU!!

Mr. Andrew Pansini

Mrs. Mary Pansini

It started as a dream, but with the help and support of the friends and benefactors of the Vincentian Community, St. Vincent's Seminary soon became a reality. In 1954, Rancho San Antonio, once the home of Mr. and Mrs. Pansini, became the site of the seminary. With further financial support from the Doheny family, St. Vincent's grew rapidly in many ways. Through the generosity of benefactors such as these, St. Vincent's has been able to continue to train young men for the service of Our Lord and His Church as Vincentian priests and brothers.

Mr. Edward Doheny

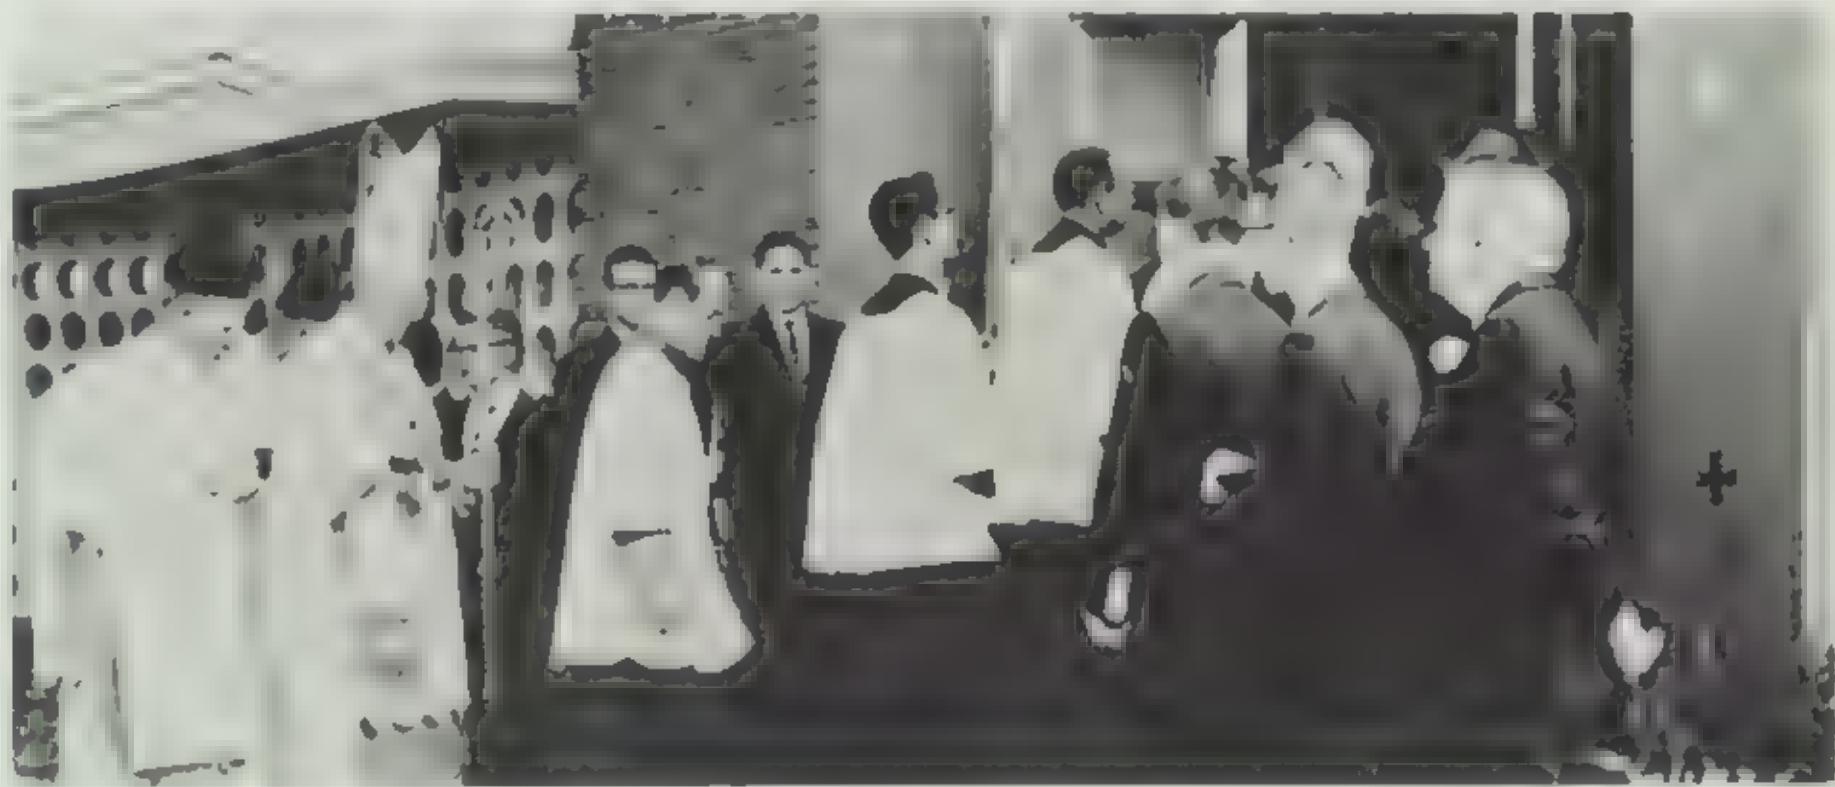

Mrs. Estelle Doheny

Development of the 14-acre site began almost immediately. The original house and barn served as multi-purpose buildings until the classroom building and first dormitory were completed in 1954-55. Additional buildings were constructed over the years gym (1954), chapel and dining room (1959), study hall building (1964), new dormitory (1967), recreation building (1969). More important than the growth of the physical plant, however, has been the development of a truly Christ-centered Community, a Community built not of bricks, but of caring people.

AS TIME GOES ON... we grow. Throughout its 25 years, St. Vincent's has striven to provide the kind of atmosphere and Christian Community environment necessary for growth in faith and the love of God and neighbor. Many young men, sensing a call to follow Christ in the priesthood or brotherhood, have come to St. Vincent's seeking to discover God's Will for them. Of these, nine have gone on to ordination; many others have taken with them the love and spirit they found here at St. Vincent's and made them a part of their lives as Catholic laymen.

AS TIME GOES ON...we celebrate. In a time and age when small numbers and financial difficulties have caused many seminary high schools to close, we celebrate, in thanksgiving, God's goodness to us during our 25 years of existence. During that time, God has always provided...We also celebrate the friendships that have been formed and the lives that have been shared. It is a celebration of life at its best...a celebration of Christ's life among us...a celebration of what can be

# DAY O F R E N E W A L

Prayer, conferences, discussion, quiet reflection and the Holy Eucharist are the order of the day each month during the Day of Renewal. It is yet another important opportunity for the Seminarians to grow spiritually and to find time for self examination and inner quiet. Through such Days of Renewal the Seminarians strive to increase their awareness—of themselves, of the Community, of God.

## CLASS MEETINGS

Aha! Now I see?

The Freshmen meet with Fr. Landry

The class/counselor meetings offer yet another opportunity for growth and sharing. Meeting weekly, with a faculty member present, the seminarians have a chance to discuss problems, share ideas, confront each other in a spirit of charity, encourage each other, and pray together.

Whereas the rules, programs, and faculty offer the seminarian some external guidance for his life here at St. Vincent's, spiritual direction on an individual and personal basis offers the important internal guidance needed for solid personal growth and maturity. Each seminarian chooses a spiritual director from among the faculty and is strongly urged to consult with him frequently throughout the school year.

LITURGIES

The Eucharist, a symbol of Life and Unity, is an essential part of our daily lives. We share in the planning, preparation and celebration of the Eucharist as a most necessary part of our constant effort to build a truly Christian Community. With Christ in the Eucharist as the focus of our day, we strive to carry Him with us into the rest of our daily activities.

## PATCH NIGHT

Following freshmen night, the new seminarians are warmly and joyfully welcomed as full members of our Christian Community. The seminary patch, a symbol of membership, is given to each of the neophytes. It is worn with pride on our blazer, declaring our brotherhood in the family of St. Vincent.

## VOCATION

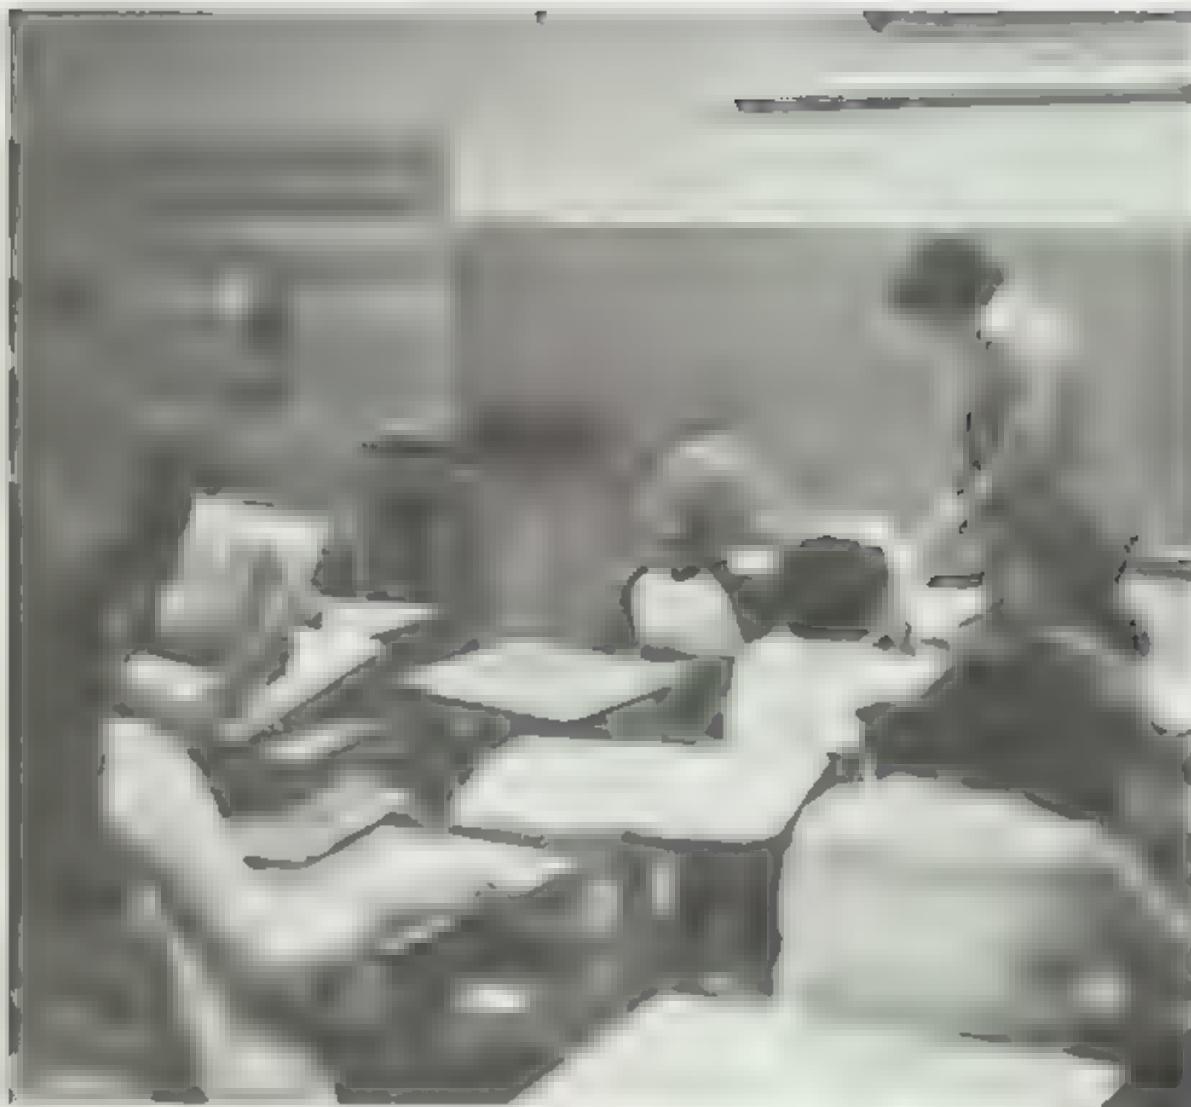

Young men interested in experiencing seminary and community life at St. Vincent's, have the opportunity to do so one weekend each month. Under the direction of Fr. Pat Mullin, the vocation director, and with the co-operation of the seminarians, the vocation weekenders work, pray, and play together in an effort to discover whether or not God may be calling them to the priesthood or brotherhood.

# *CHRISTIAN WORKS*

# AND CCD CONGRESS

The Christian Works Program is important not only for growth in Christian life but also for personal formation and development. The program strives to give the seminarian opportunities to build the Church among men and help the People of God by witness and service. He is also taught to develop the habit of theological reflection concerning his response to the Mission of Christ, particularly as a seminarian.

THE FRIENDS OF ST. VINCENT, an organization made up of parents of the seminarians and other concerned and interested friends, comprises an important part of our Vincentian family. The Friends generously shares in the financial support of the seminary through garage sales and Las Vegas Night; it sponsors social activities such as banquets and potluck dinners; and its members share in the spiritual benefits which the seminary has to offer through participation in the Eucharist and other liturgical celebrations.

For the support and friendship the FRIENDS OF ST. VINCENT has shown to St. Vincent's Seminary, the faculty and seminarians would like to say 'thank you' and 'God bless you.'

Almost as important as the spiritual and personal development of each seminarian is his physical growth and well being. The intramural program, therefore, is an important part of the seminarian's life here at St. Vincent's. The program not only allows him the opportunity to recreate but also the chance to learn new athletic skills.

Almost from the beginning of St. Vincent's Seminary, the Josephine Sisters have been an example and inspiration to all those who have seen their dedication. Working quietly in the background, the Sisters have served the faculty and seminarians with the kind of selfless love that was typical of Our Lord's own Mother Mary. St. Vincent's owes much to the Hermanas Josefinas. We pray that God will bestow His generous blessings upon them for their dedication and love.

Good-byes have always been difficult for me. It's a time when something good and beautiful seems to be ending. But is it ending? If we truly love something, then it's ours forever and no person or thing can ever keep us separated. That's how I feel about St. Vincent's. This seminary is part of my life and even if the future draws us miles away from each other, I'll always be a part of it and it a part of me.

There are so many who have influenced my life in a positive manner. These individuals have helped build the foundation on which I live and will live—and those aren't just fancy words; I mean it! A few of these people I'd like to thank right now. First of all, I'd like to thank my family who backed me up with love the whole way through. I would also like to thank my other family, my class—J.R., Phil, Joe, and Mike. These four brothers hold a very special place in my heart. Of course, I'd like to thank the other seminarians and the faculty who have been true friends throughout my four years at St. Vincent's. Thanks, Fr. Windsor, for your love and support. Most of all, thank you, Jesus!

Remember, a true friend is a friend forever!

*Ralph Blanding*

The time has come to say good-bye, but many are the friends that I will never forget. First, I want to thank my parents, especially my mother for her love and wisdom. I would also like to thank my brothers and sisters for sharing their love, fun and joy. In addition to my family, there are four friends I want to thank for sharing four great years with me. Thanks, Phil, Jose Ricardo, Ralph, and Mike. I will always remember the class of '79 I also want to thank the faculty for its consideration and understanding. Likewise, I want to thank Alex, Paul, Tony, Pete, and the rest of the junior, sophomore, and freshman classes for sharing the laughs and hardships during the years. Above all, I want to thank God for sharing His love. I hope to love Him more and more throughout my life.

"If you love something; set it free  
If it comes back; it's yours.  
If it doesn't, it was never meant to be."

These past four years will be with me forever. It seems like just yesterday that I packed up and came to check out exactly what a seminary was all about and to see if I had a vocation to the priesthood. During these four years, I have learned a great many things, especially about community life. I have also grown in wisdom and love for God.

There are many people I wish to thank. First of all, my family, for standing with me through thick and thin...los amo. I wish to thank my class, Ralph, Joe, Mike, and Phil and all my past classmates, who are not forgotten. Good luck to next year's student body, especially to the class of '80. St. Vincent's is blessed with a truly great faculty. Thank you all, past and present, for your patience, concern, and wisdom.

There are many others who deserve to be mentioned—Ruben H., Mike C., Anna P., The "Chain" Gang, Las Hermanas Josefinas, the Friends of St. Vincent, all those who supported the team, and the Kenoak Street Gang—to mention just a few. Thank you all.

Most especially, THANK YOU, GOD, for all Your love and for bringing me to S.V.S.

*J. Ricardo Hernandez*

"As my life goes on, I believe somehow something's changed—a part of me." During the past four years my life has changed, and St. Vincent's has been a very definite part of that change, a change for the better.

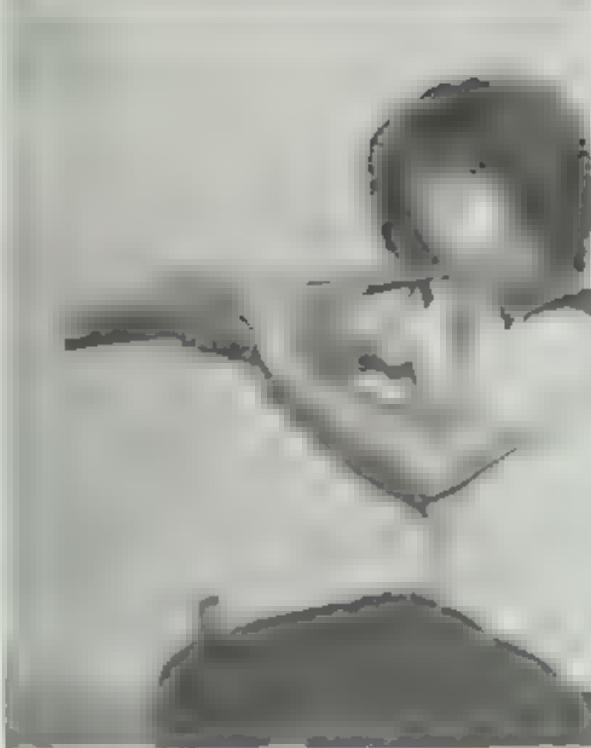

St. Vincent's will always be a part of me also, because of the many gifts of love, friendship, time, and patience given to me. For all these gifts, I give my heartfelt thanks. Fr. Windsor, Joe, Phil, Ralph, J.R., Joe R., I'll always treasure your special gifts of friendship. Thanks also to my family for their support and love.

I've always considered "good-bye" to be a rather simple word. We all use it many times every day, but now I have to say it to people that I love, and it's not easy. So instead of truly saying "good-bye," I say the word in the light sense we use it every day, over the phone and at the door. How could I say "good-bye" to the people and the place that have become so much a part of my life? St. Vincent's will always be in my heart and prayers...I love you... thank you...good-bye

to you; yet my parting from S.V.S. will lead me to  
new horizons and new challenges. My sojourn at  
S.V.S. has been filled with times of both joy and  
sorrow. If I were to live my high school years over,  
I would not alter one moment, not one friend. I  
thank the four men who have shared their friend-  
ship with me. Thank you J.R., Joe, Ralph and  
Mike. Thank you Mom, Dad, Gabe, Uncle Morris,  
Auntie Frances, and Anna for your love and sup-  
port. I am grateful to everyone who has helped  
me throughout my four years here at S.V.S. Good  
luck to the class of '80. Joe Roach, don't let the  
"God Squad" end. Gratitude and much laud go to  
my professors. Thanks and a lot of love to my  
estrella. My greatest thanks go to my Lord who  
has willed all this to be. May God bless you all.
